

## **Rock and Wood | 1 day (all levels)**

*No painting experience necessary - No sewing machine*

Build a landscape that creates depth and dimension for your composition. Strategic placement of hand dyed multi-value fabrics will simulate light and shadow. Adding paint will enhance the dimension for this landscape to truly "POP" off the surface. If you have difficulty in establishing a fore, middle and background, this is the class for you.

### **Supply list for Rock and Wood:**

#### **Tools:**

Small rotary cutter and sharp blade, cutting mat, iron and board, ballpoint pen, black sharpie marker, straight pins , xacto knife, apron, paper sandwich bag, Scotch magic tape.

#### **Fabric:**

15 x 20" piece of background fabric on which to have as a foundation. Very dark jewel tone fabrics (night sky) work very well to enhance main fabrics (in kit).

**Kit FEE \$35:** Includes: half yard of multi-value, Multi-color hand dye which will complete project, original pattern, freezer paper, parchment paper, Misty White fuse, Transdoodle transfer paper, textile paint, brushes, and paper goods.
